

# **PRIVACY POLICY MODEL FOR MOBILE APPLICATIONS**

This privacy policy governs your use of the software application Eiriana Luxury Suites (“Application”) for mobile devices. The Application is a travel guide application that provides information about local points of interest, useful information about the location, etc. The Application was developed by SoftWeb PCC on behalf of the Eiriana Luxury Suites.

## **What information does the Application obtain and how is it used?**

### **User Provided Information**

In order to use this application you do not need to register or to provide any kind of user information.

You may submit any information with us while using the Application (for example when submitting contact forms), you generally may provide (a) your name, email address, age, user name, password and other registration information; (b) transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application, and; (e) information you enter into our system when using the Application, such as contact information and project management information.

We may also use the information you provided us to contact you from time to time to provide you with important information, required notices and marketing promotions.

### **Automatically Collected Information**

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile device's unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

## **Does the Application collect precise real time location information of the device?**

When you visit the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine the city you are located within and display a location map. We will not share your current location with other users or partners.

If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

## **Do third parties see and/or have access to information obtained by the Application?**

Only aggregated, anonymized data is periodically transmitted to external services to help us improve the Application and our service. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

as required by law, such as to comply with a subpoena, or similar legal process;

when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;

with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

if the owner of the mobile application is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

## **What are my opt-out rights?**

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

## **Data Retention Policy, Managing Your Information**

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

## **Children**

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at [info@eiriana.com](mailto:info@eiriana.com). We will delete such information from our files within a reasonable time.

## **Security**

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

## **Changes**

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by clicking [here](#).

Last updated and effective as of 3 September 2018.

## **Your Consent**

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the European Union. If you reside outside the European Union your information will be transferred, processed and stored there under European Union privacy standards.
